We Did What We Had To Do

For the first time in the history of the Wausau West Yearbook staff, a photography contest was sponsored. The contest was open to any member of West High and the restrictions were that the picture must be of some type of natural scenery, of park scenes,

animals and people, (as long as they were not posed) and, of course, in color. The judges were faculty members: **Mrs. E. Hess, Mr. J. Moore, Mr. O. Schoen-
eck** and principal, **Mr. A. Wheeler**. The pictures were chosen on a 1-5 point basis.

Homecoming Candidates

Finalists and escorts (L. to R.): Dawn Niewolny and Sheldon Schlicht, Michele Kilinski and Mike Brandt, Linda VanDenHeuvel and Dan Nieuwenhuis, Beth Knapp and Rick Sneider, Sue Lemmer and Brad Berndt.

And It All Began Like This . . .

This year's homecoming was once again a week filled with excitement from class competitions, skits, floats, cheering crowds and the big game. But what probably triggers the most excitement and spirit is the competing of five senior girls for the honor to be the homecoming queen.

Two weeks preceding the homecoming game, twelve girls are picked by the senior male athletes. The nominees for this year other than the above finalists were **Carmel Braatz, Jean Carlson, Cathy Casteel, Geri Christian, Tammy Hrdina, Kim Novitzke, and Tami Schmidt.**

The following morning the entire senior class chooses five candidates out of the twelve by ballot voting. By the end of the school day the ballots are counted and five finalists are named. Starting the next morning the girls have five school days to campaign. On Thursday during homeroom the members of all classes vote for this year's queen.

Then the candidates have one day of anticipation until Thursday night, the skit night, when last year's queen places the crown on the new queen.

This past February was a new beginning for an old event: **Winter Carnival**. The absence of the event has been noticed for several years, (the event was dropped in 1976). When plans were in the making for a city-wide event, Student Council decided to sponsor the event here at West. The committee which handled all the planning consisted of **Jane Goetzke, Linda Barrington, Laura Fitzsimmons, Linda Barthels, and Shelly Sippl**. Activities were the **Boy's Ice Cream Eating** contest won

by the **Freshmen**, the **Boy's Three-legged Relay** and **Girl's Ice Cream Eating** captured by the **Sophomores**, and the **Seniors** whisked away the **Girl's Basketball Relay**. The **King Contest** resulted in a tie; Mike Cleveland and Dan Powell were given trophies to remember their day as royalty. To end the activities, a **rock dance** featuring **Atlantis** was held in the commons. Overall, the event was a success and hopefully will be continued in the years to come.

This year's Junior Girls dance was held December 23, 1978 at the Youth Building in Marathon Park with an after party held in the Wausau West Commons.

One-hundred ten couples attended the dance with music by Full Sail. The dance, which provides Scholarships for Senior Girls, raised more money this year than previous dances.

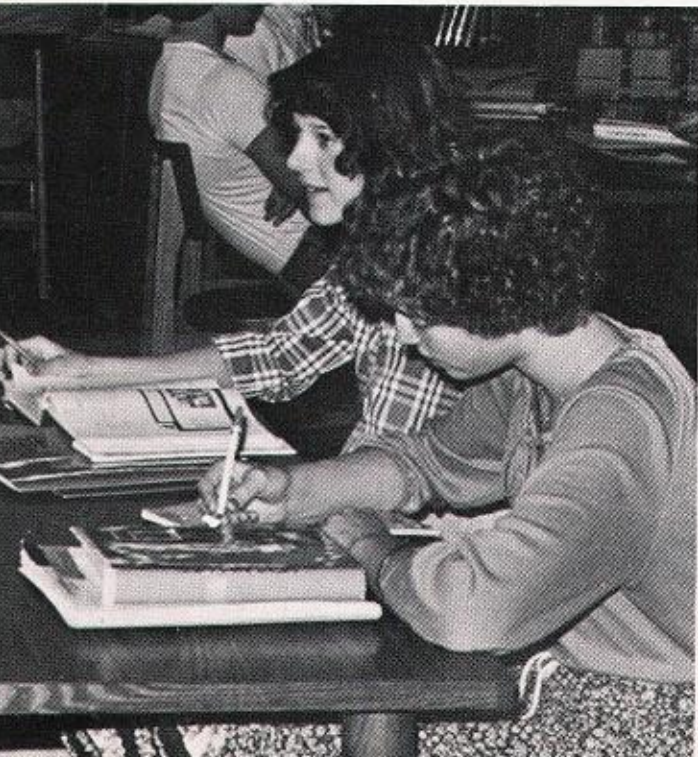

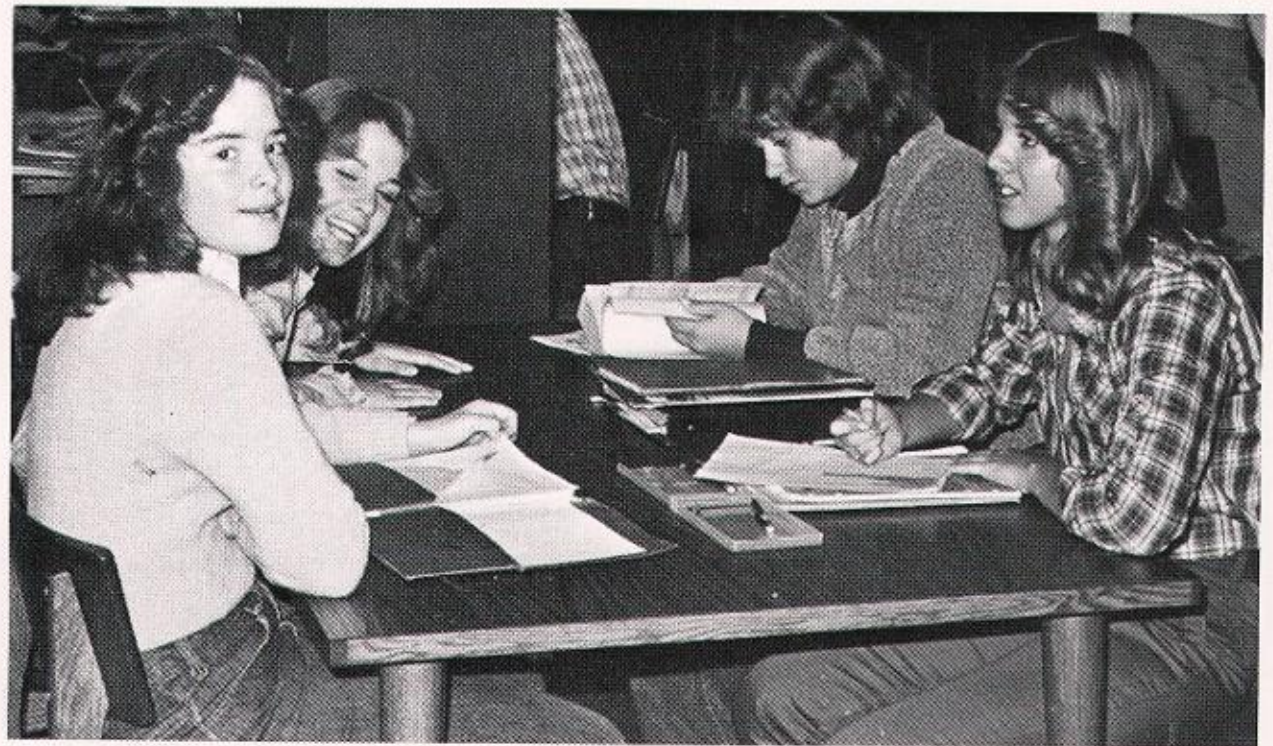

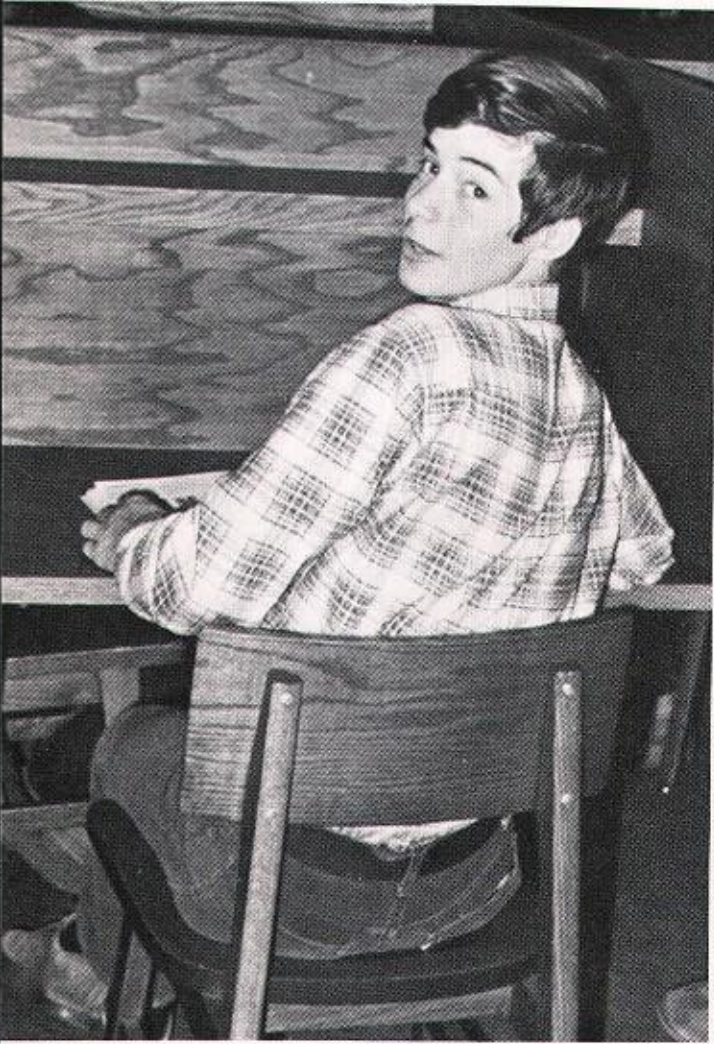

The Junior Class would like to thank Mr. Witasek, Mr. Gifford and the Sophomore Girls for their help to make the dance a success.

SENIORS

The Class of 1979 is the largest ever graduating class from Wausau West High School. It is also one of the largest ever in terms of spirit, talent and involvement. From the day we entered the fieldhouse for our first assembly to the night we marched out in caps and gowns, we took advantage of what West had to offer and we collected many fond memories along the way.

The Class of '79 represented West well in the area of athletics. Athletes participated in state competition in such sports as baseball, track, swimming, gymnastics and curling. During our junior year the boys' curling team brought West its first state championship in any sport. Also in our junior year, our football players helped to bring the Wausau Log back where it belongs. This year our Seniors kept it here.

In the area of performing arts, class members played roles, either on or off stage, in every play given during our four years. Our music students entertained in seasonal, pop, and jazz concerts. Many received consistently high ratings in district and state solo and ensemble competitions, and in group music festivals. The Class of '79 was also represented in the Wisconsin Honors Music programs.

Academically, the Class of '79 had many leaders. Ten students were honored in the National Merit Scholarship program. Our Debate, Forensics, and Math Team participants had excellent showings. In the spring of 1979, two groups of foreign language students traveled to Germany and Mexico to enrich their knowledge of the German and Spanish cultures. Some French students plan to visit France this summer.

The Class of '79 never lacked of social life and enthusiasm. It would be extremely difficult to pinpoint our best year, if we had just one, that is. It could have been our first year when we came out of homecoming with one of the strongest finishes a freshman class ever made. Or more likely our sophomore year when we won the spirit sword and put on that showstopper skit, "West Side Story." Or maybe our junior year when we discovered the nightlife with such events as "A Winter's Night With You" (Junior Girls) and "Southern Nights" (Prom). Or possibly our best year was our senior year when we approached the promising age of eighteen and had so many "wild and crazy" times. They were all great years. Now that they have come to an end, we take with us not only our diplomas and achievements, but also our memories and friendships that we can cherish forever. We can never forget, never regret, our years at West.

Issue:

The School Bond

Bond referenda for funding a new Wausau East High School and remodeling the present one for Horace Mann students were defeated twice in 1978. The second time around, however, it was by a much closer margin, only eight hundred votes, which leaves some hope for a victory in the future.

Meanwhile, parents, students, and faculty can only ponder and speculate about busing, consolidating, grade realignments, and what the Board of Education's next manipulative tactic will be. (November 78)

FINE ARTS

November 16, 17, 18 were special nights for Wausau West Theater. These dates marked the performance of Oscar Wilde's "The Importance of Being Earnest."

"The Importance of Being Earnest" has been delighting audiences for over eighty years. Wilde himself called it "a trivial comedy for serious people."

The cast and crews under the direction of Mr. Keogh and Miss Ballard, did an excellent job.

Two days before the scheduled opening, there was a fire in the auditorium. Some props were destroyed, but were rebuilt in time for opening night.

The Whole "Bloeming" Bunch

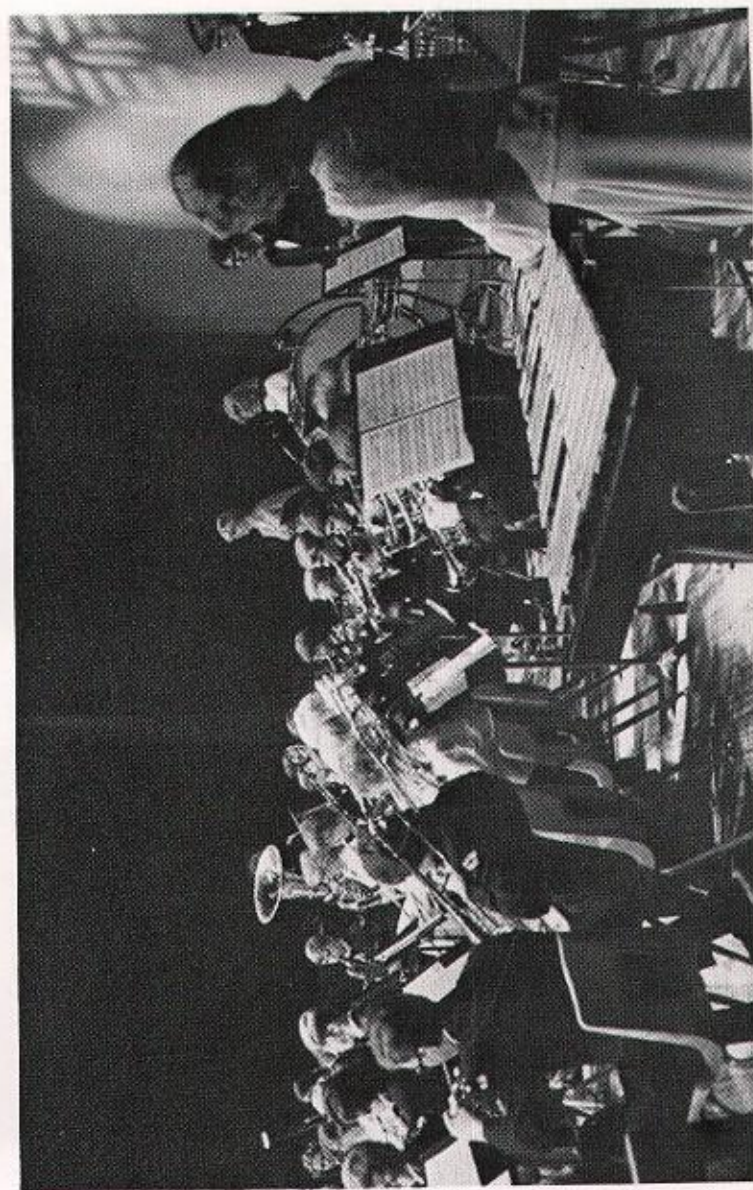

Symphonic Band took on a different look for 1978-79. Without giving up any musical quality, the band placed more emphasis on the audience. During one song at the Winter Concert, the audience was surrounded by the band's 65 members. In spring, the first band pop concert was given, featuring popular music that appealed to all ages.

The band had other events, too. In February, it performed at the music festival at D. C. Everest. Also, the band provided spirit at the many home basketball and football games. This year's marching band was led by Drum

Major Jon Ray and twirlers Jody Stebbins, Jean Osterby, and Pam Kauffman. Symphonic Band also planned a trip to perform in southern Wisconsin and then spend a day at Great America in Illinois.

Director Roger Bloemers

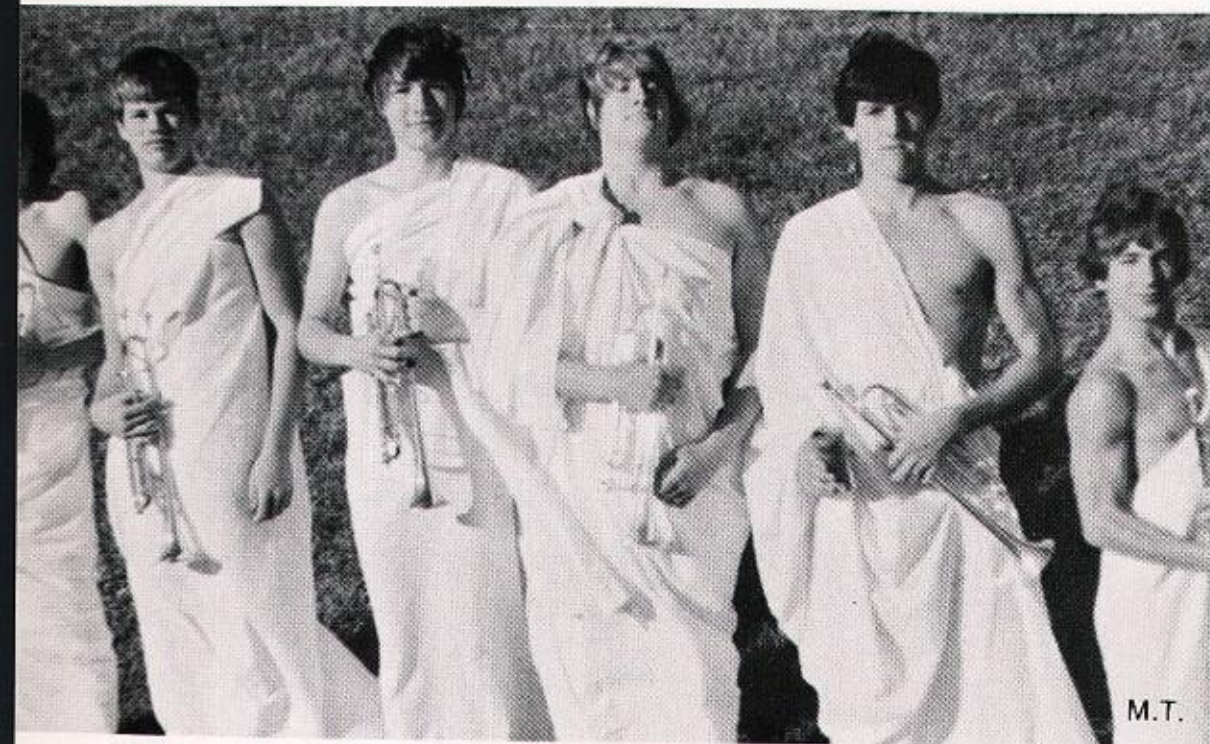

It's OK-

I'm With The Band

Tryouts in May, 1978, turned out 22 talented musicians determined to continue the tradition of excellence associated with Wausau West Jazz Ensembles. Once again the tradition held up, and in February, the band, under the direction of Mr. Roger Bloemers, presented its ninth annual show. The evening featured instrumentals along with vocals, comedy, and a movie. The band also competed in the UW-Green Bay Jazz Festival.

"Merrilee" We String Along

The Wausau West Symphonic Orchestra of 1978-79 experienced a busy and productive year. Three public concerts were presented during the year with a wide variety of music (from Bach to pop) being performed. Besides the concerts, students participated in the solo and ensemble contest held here at West, the district large group festival held at D.C. Everest, and numerous other musical activities held in our area.

Mr. Lee felt the orchestra's performance for the year was very good. The string section of 29 was well balanced and strong in each section. The top 22 band members added a great deal to the orchestra's quality and their talent and participation was much appreciated by Mr. Lee and all the string players.

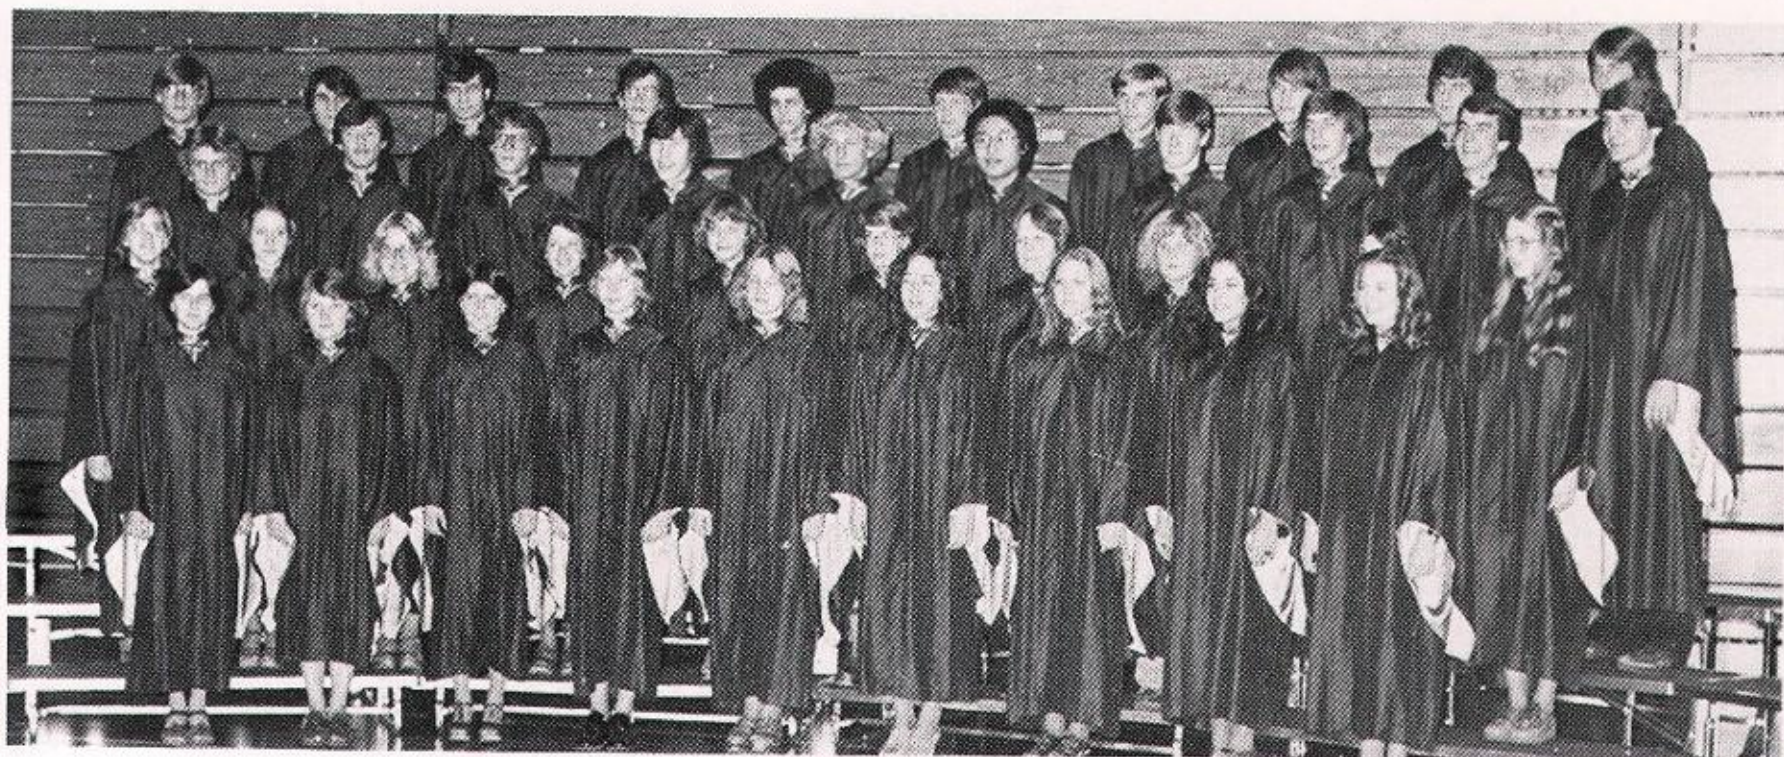

Saying It With Music

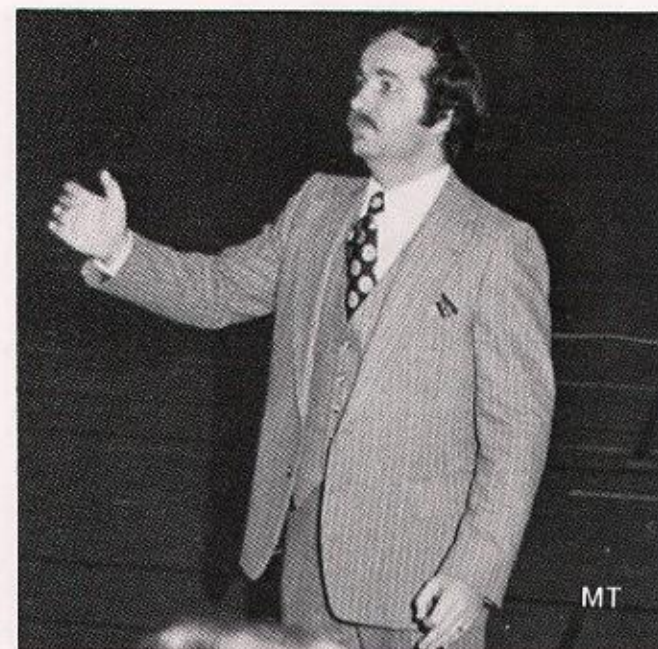

The **Choral Music Program** at West High School is open to all students regardless of singing talent or experience. The program is divided into five separate performing groups: Concert Choir, Men's Choir, Treble Choir, Chamber Choir, and Freshmen Choir.

The West Choirs interpret in a superbly distinctive style, the finest in choral music. Ranked as one of the leading choral music programs in the state, the West Concert Choir, on two occasions, has been nominated by the National Education Scholarship Foundation as one of the outstanding high school choral groups in the United States.

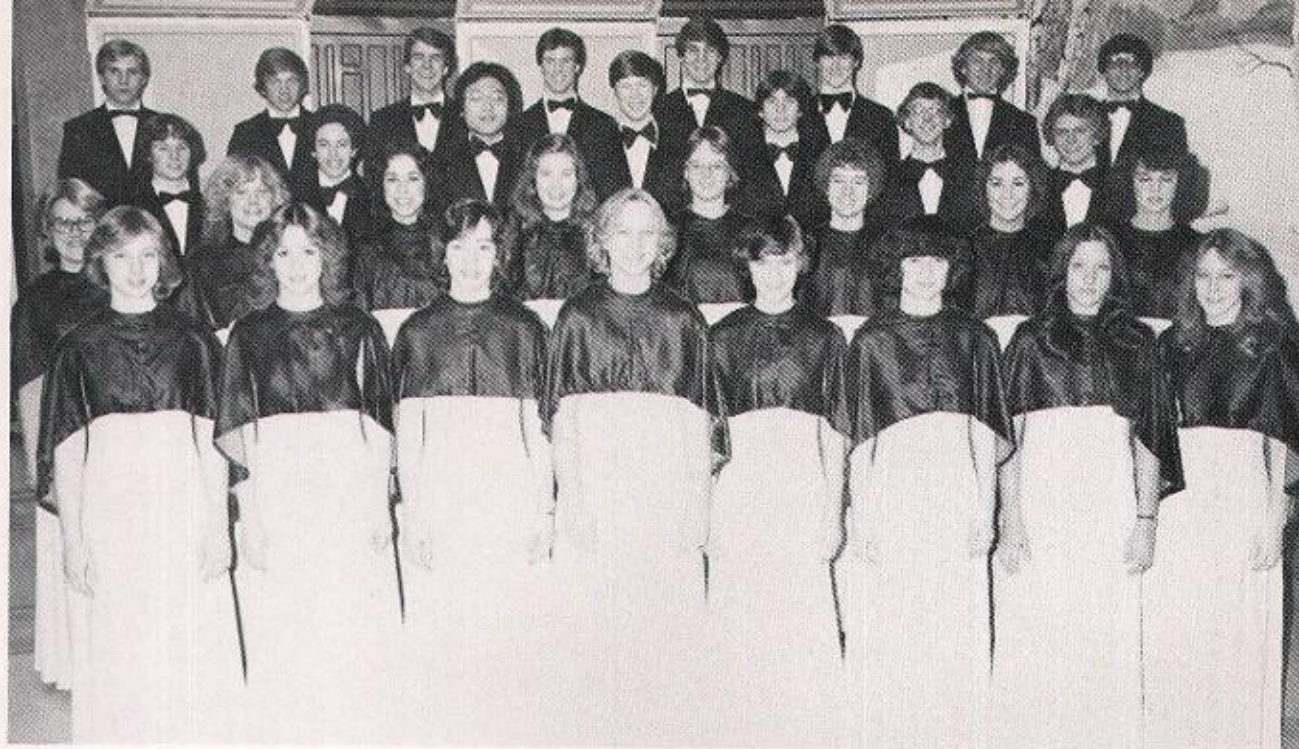

All choirs perform in the Christmas Concert, Spring Concert, and the ever popular Pop Concert. Members of all choirs also participate in the Solo Ensemble that is held ever year.

The 1978 girls Volleyball team had a lot of enthusiasm and experience. With 9 returning lettermen, they put forth all of their effort and skill into a successful season. Although their record was 1-8, the team spirit was very high. As the next season comes around, the West team will be back with 5 lettermen and many underclassmen to fill the shoes of the 6 graduating Seniors.

Time For A Splash!

With 6 returning lettermen the West swim team had a successful season. Holding a record of 5-3 they placed 3rd in the St. Point Relay; took the City Meet and placed 5th in the Conference Meet. In sectionals they placed 3rd out of 15 schools. Two girls went to state this year: Senior- Janine Dutton and Freshman Kim Walden. Beth Shandley was voted Most Valuable and Jennifer Zuelke Most Improved.

The team hopes to improve on their 1-9 record from last year with the help of 6 returning lettermen: Seniors- Tom Gustafson, Steve Lamer & Dan Powell; Juniors- John Henry & Dan Moser and Soph.- Tim Romang. Dan Moser is our only diver and has been working very hard. He has a very good chance to represent West at the boy's State Swim Meet at Madison in February.

If the boy's continue working hard with a positive attitude and we get more boys out for the team next year, our rebuilding program for a better team should have a positive effect.

The season started December 1, 1978 with a two game weekend against Eau Claire Memorial and Eau Claire North. The Eau Claire players stayed overnight with the Wausau East and West hockey members.

Freshmen and sophomores dominated this years team with the loss of only two seniors. Next years team will prove to be a bit more experienced. Returning lettermen were Steve Brown, Gus Spooner, Mike Shandley, Eugene King, Craig Burgesen, Larry Spooner, Nick Lecher, and Dave Jones.

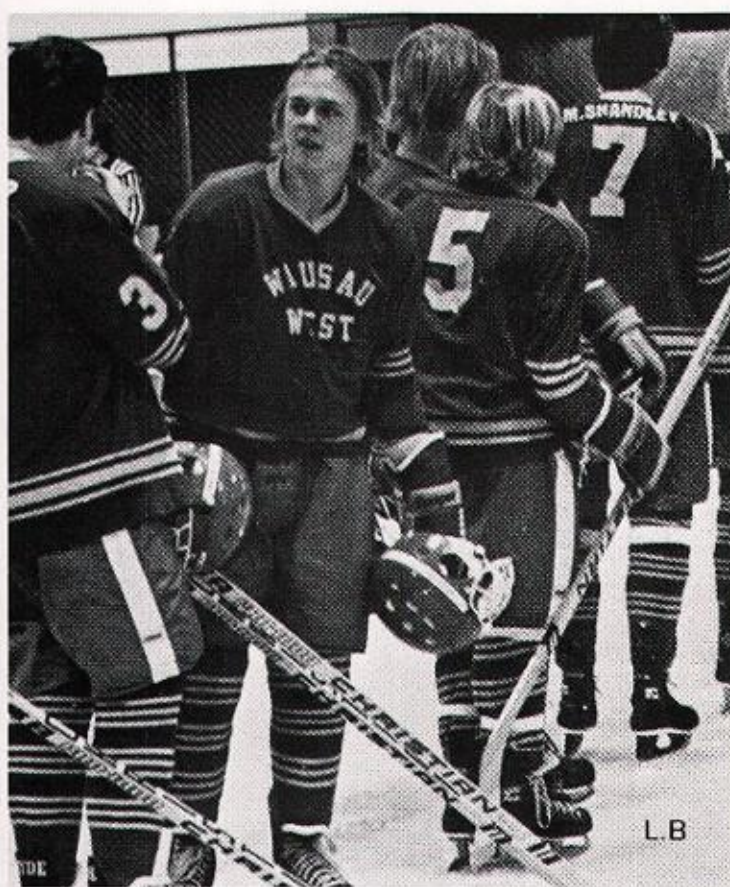

This year's team was coached by Pete Susens with the help of Jeff Neuhauser and alumni players.

West's Best Bucket Bouncers

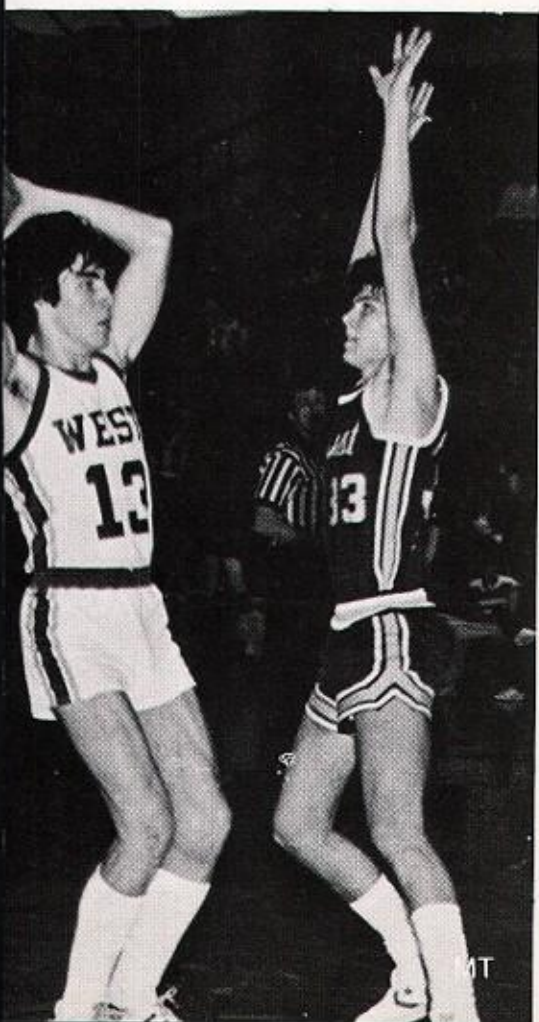

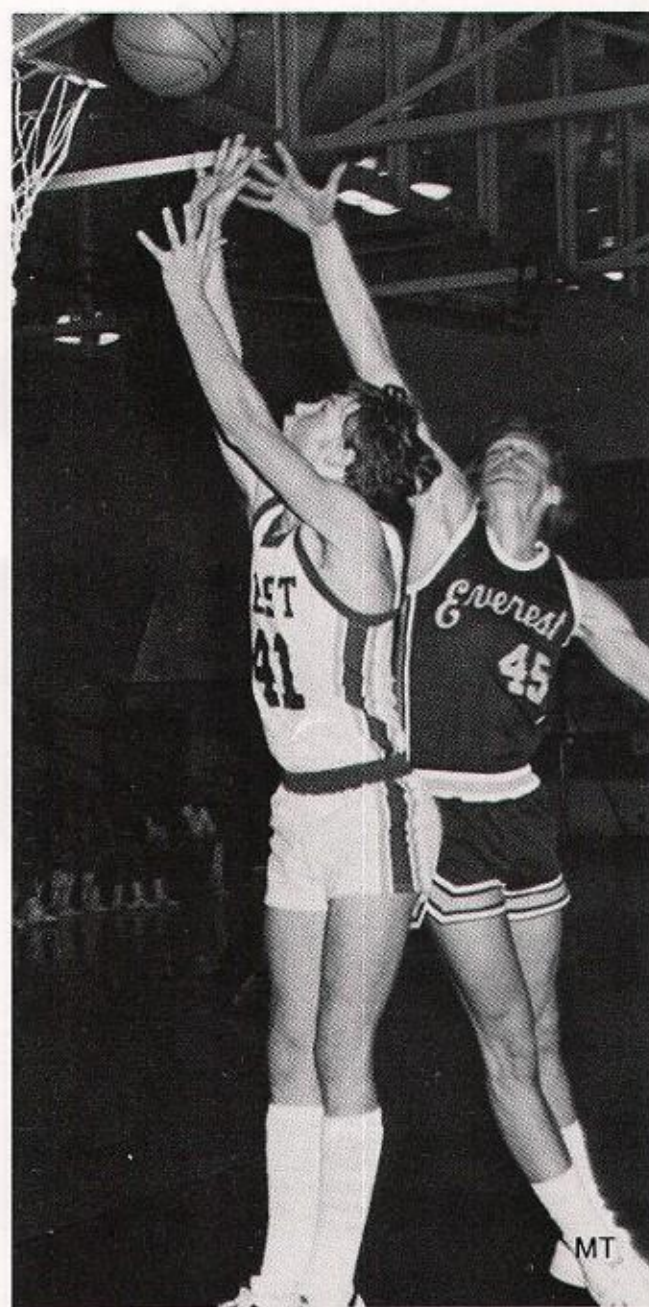

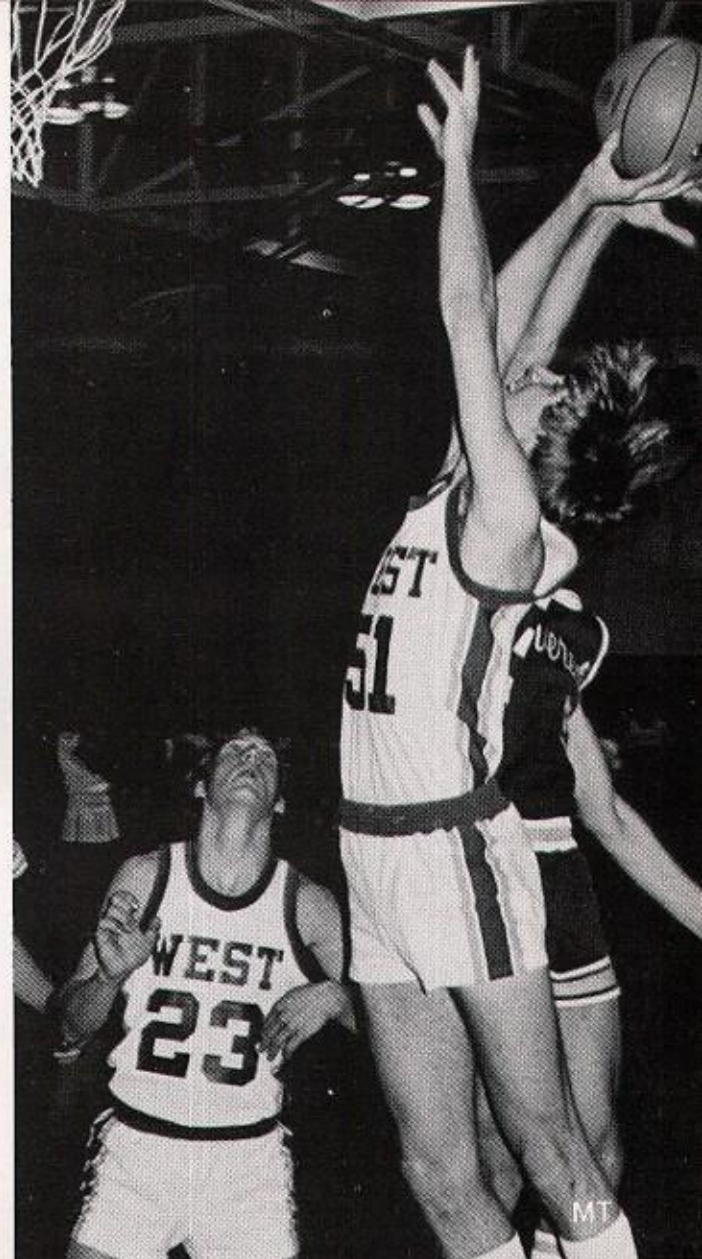

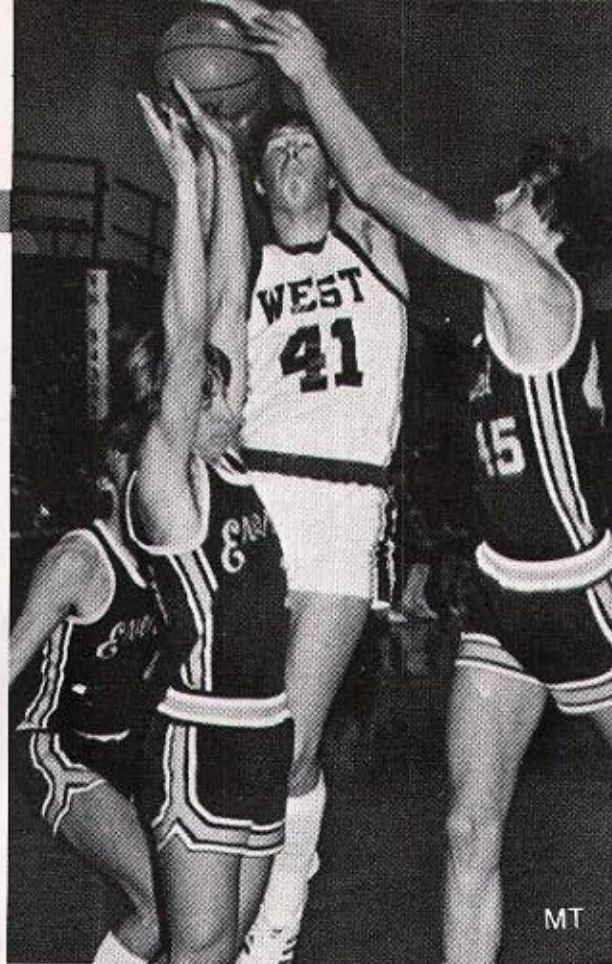

At this time the West Varsity has a record of 5 wins and 6 losses. This includes 2 wins over Wausau East. The team is hoping to get its record up over the .500 mark during the remainder of the season. Leading scorers at this point are Sophomore Jim Gross, and Seniors Mike Cleveland and Brad Berndt. Gross is also the leading rebounder in the conference through the first 11 games. This is probably one of the best defensive teams West has had in the past few years and we are hoping that it will carry us far come tournament time.

We started out with a fast moving, exciting game against crosstown rival Wausau East. However, they came out on top. We won two in a row, before dropping three in a row. We came back strong, overpowering Rapids and playing a close but too short game against strong St. Point.

Traveling to Merrill was a heartbreaker losing by two points with free throw opportunities to pull it out. We dropped two games before tagging Everest. We came within two points of Rhindeland, dumped Shawano, then lost to tough Antigo.

At the time of writing this we have three league games left before another shot at East in tournament action.

We had hopes of earning a .500 or better season this year. We lost close ones that could have gone either way. Our inexperience coupled with unexpected injuries to key players took its toll. We did not have any long losing streaks, which indicates the ability of this ball club to bounce back. I will always respect that quality of these girls.

To the future,

If I had to use one word to sum up the season, it would have to be PRIDE. Each player has developed pride in themselves and in each other. This pride creates the foundation of a sound basketball program. The team has shown large amounts of dedication, concentration, and hours of plain hard work that has created a winning season. The team showed that pride by being 6-1 at Christmas. The players never gave up in working ever so much harder and kept believing in themselves. It all paid off as we finished the season very strongly. Truly this was a team effort!

Sincerely,

Coach Stencil

UNDERCLASS

As the class of 1982 entered West for the first time, 421 knew faces filled the school. They seemed to find their way around without too much difficulty. Their first big event was homecoming which over all they showed great spirit, especially in the rope pull and banana eating. To help pull them through the year were class officers: Pres., Bill Romang, Vice Pres., Kristi Whalen and Sec., Kim Walden.

There now heading on to a successful sophomore year-including such classes as Drs. Ed and Biology. Also as not being freshman anymore.

**As We Travel On
Wish Us Luck**

This year 458 sophs were eager to start off their second year at West by cheering their way to earning the spirit sword. Their eagerness doesn't stop with the sword, - they have much to look forward to, like turning sixteen and earning their licenses. Sophomores will join the Juniors and Seniors by bringing cars to school and joining the working world. Challenges which faced the Sophomores of this year are those of choosing from a larger variety of classes, trying to get more involved with school and pointing onward into life.

Junior Class Officers: Jean Osterby, Lynell Larson, Julie Mattmiller.

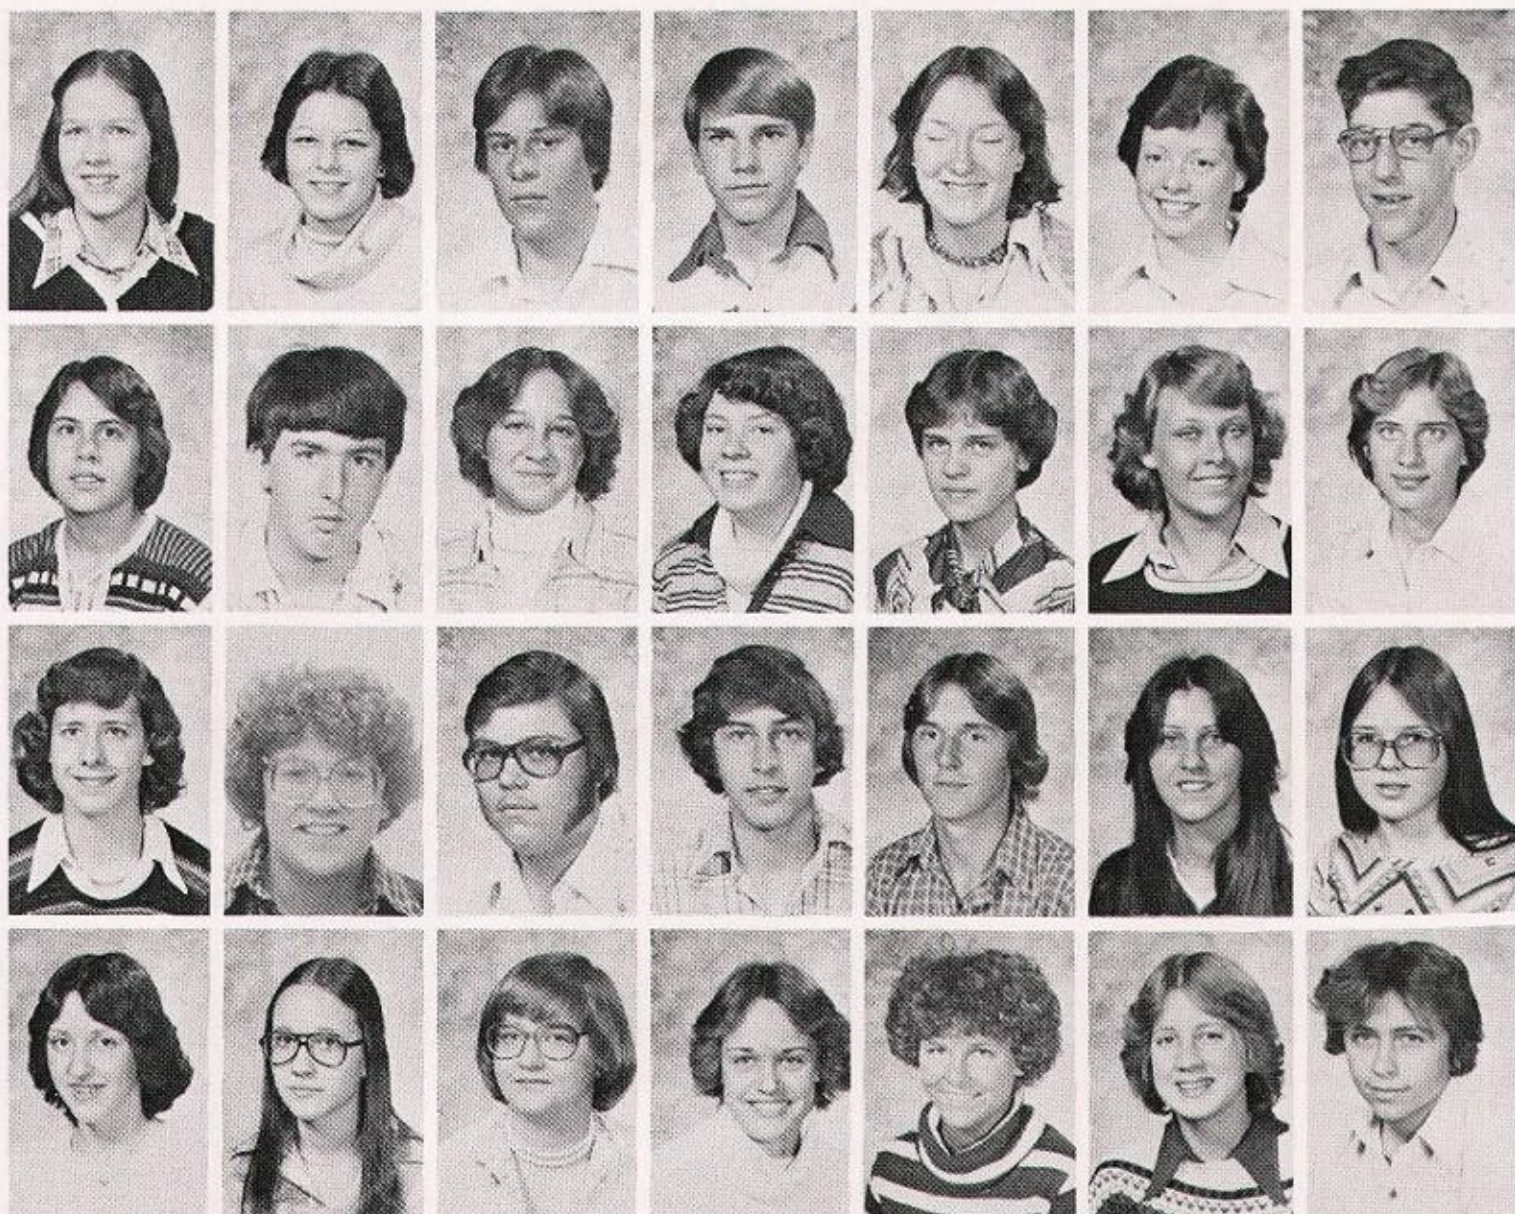

The 441 Juniors started their year right by becoming the overall Homecoming champions. They survived the battle of creating their own schedules for the first time. They contributed to the turmoil in the student parking lot by bringing their own cars to school. The girls, as well as the guys, were excited in preparing for Junior Girls and the Prom.

As the Junior class approaches the end, they are faced with more decisions and events than ever before - jobs, plans for the future, expectations of senior life, next year's homecoming court, reaching that spectacular age of eighteen, etc ... Without a doubt, the new decade of 1980 will bring forth a great class of ambitious, hardworking Seniors.

The highlight of the year is always the German Festival in spring. All the members work together to change the commons into a pleasant German Café. The German band plays and folk dances, folk songs and skits are performed. Alle haben viel Spass!

From the Seniors planning to go on in German in College, one lucky member is chosen each year for a \$150.00 club scholarship.

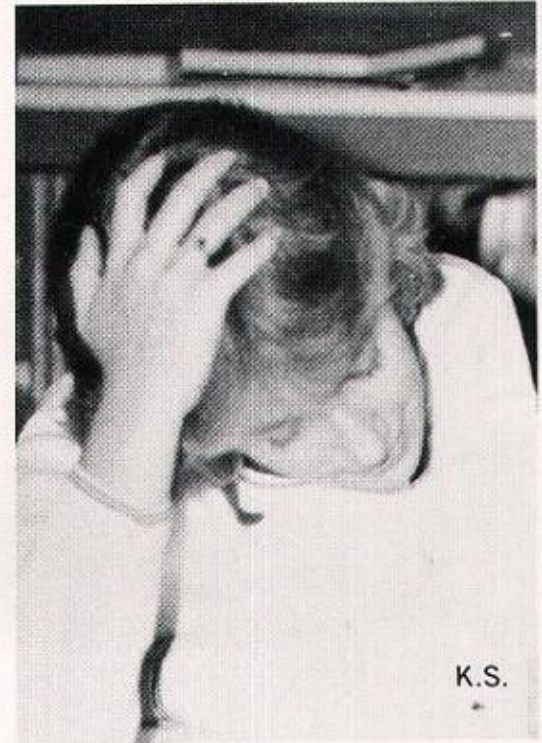

All members also enjoy a picnic together in spring.

Money for these activities and the scholarship is raised by the festival and by selling Advent Calendars imported from Germany.

Debating today for tomorrow is a good description of the Wausau West Debate Team.

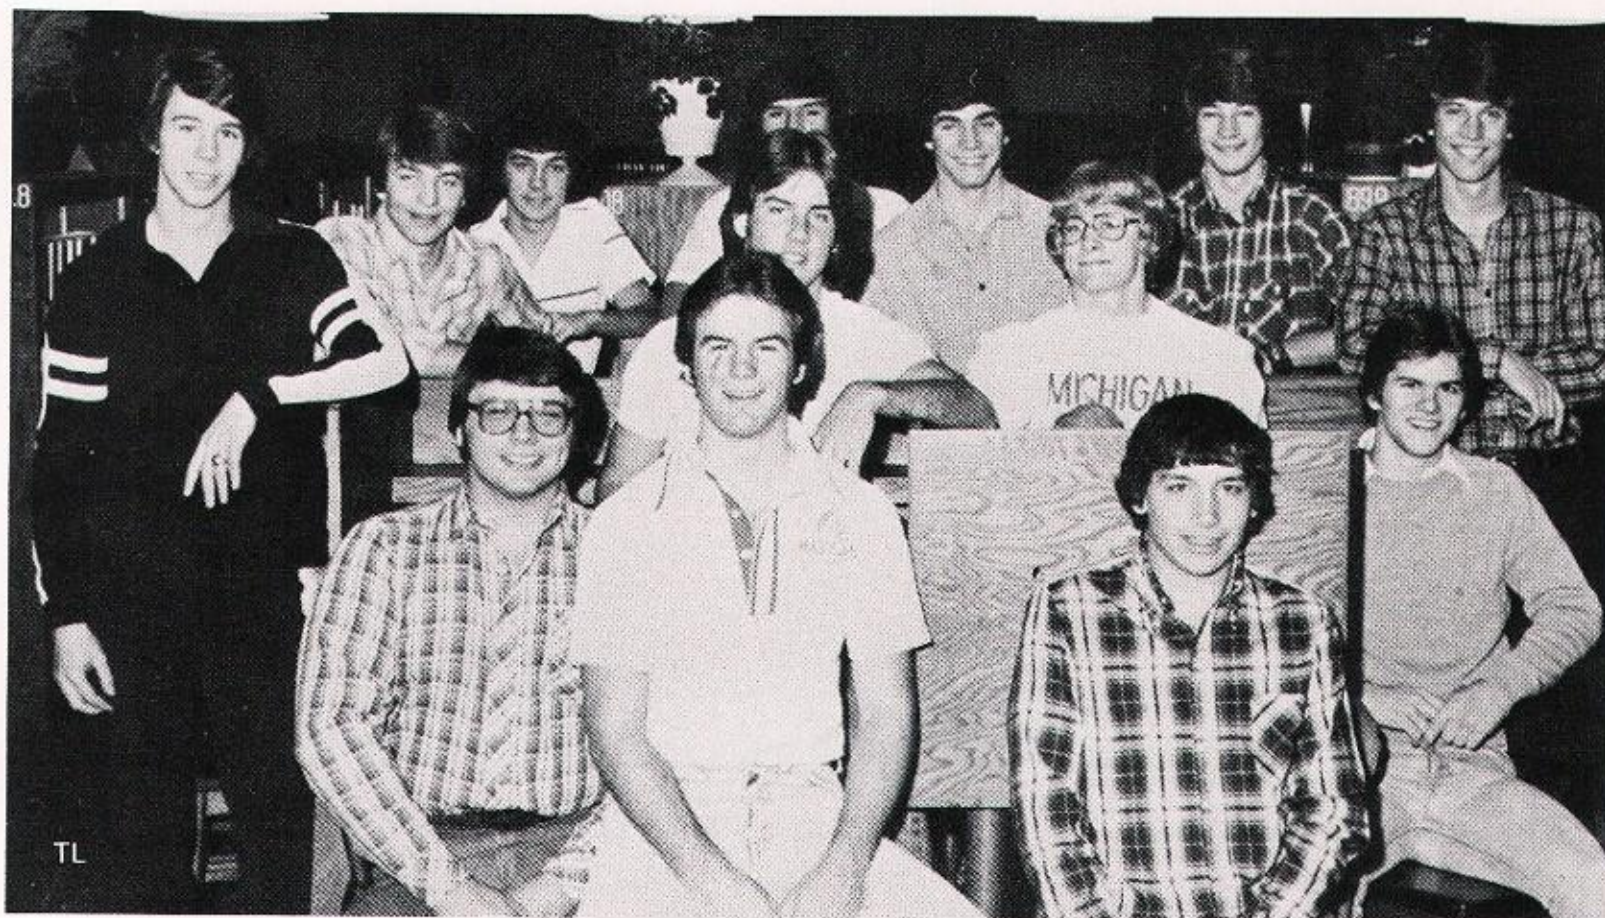

Made up of Freshmen, Sophomores, Juniors, Seniors, this year's team has twenty-four members. These students are active throughout the year. Each is responsible for gathering information on the established topic. This year the topic is: Resolved: That the federal government should establish a comprehensive program to significantly increase the energy independence of the United States.

The advisor of this year's team is Mr. Grinsel. He is responsible for setting up contests, tournaments, etc., between West and other schools.

The team works very hard and deserved credit for all they do for Wausau West.

"Dimension is published monthly by the students of Wausau West High School." Unlike other school newspapers in the Wausau area, West students do all their own layouts, pictures, printing, and composing. This year the Dimension won an award for photography, which speaks well for the photographers, the general staff which chooses the pictures, and the printing staff which makes the final product.

1979 Photographers

Front Row: M. Turk, J. LaVake, C. Burkhardt, L. Betzner Front Row: Mr. Barentine, J. Schwenk, Mr. Nagler

This year five photographers have been working hard taking pictures for the newspaper and yearbook. They had some help from their advisors, Mrs. Nagler and Mr. Barentine. The photographers meet once a week. Also, you might have been wondering what the letters in the righthand corner of many pictures mean. These are the initials of the photographer who took the picture. Here is a list of who the initials stand for:

J.L.-Jeff LaVake
M.T.-Mike Turk
C.B.-Craig Burkhardt
L.B.-Linda Betzner
K.S.-Kathy Schwenk
J.N.-Joan Nagler
R.S.-Rick Strasser

The hardworking AV crew has been busy keeping the films rolling and the projectors lit. Besides this, they videotape the games and help teachers run the equipment. The advisors of the AV crew are Mr. Paul Smith and Mrs. Nagler.

Channel 7 Presents

The yearbook staff has done a few things differently this year. For instance, staff members got to work on more than one section. But the main purpose of the book hasn't changed. It is still to give you something to remember this year by.

There are many people who deserve thanks for their help in putting this book together. First, give thanks to the photography class and their advisors Mrs. Nagler and Mr. Barentine, who took most of the pictures in the yearbook. Next, a thanks to the editors who did a great job doing their sections and helping us with ours and also the business staff who sold ads during the summer, and our advisor Mrs. Rebholz who kept things running.

We hope you enjoy reading this book as much as we enjoyed making it.

Every Wednesday after school and mods 18, 19, and 20, the chess club meets in room 213. During this time club members challenge each other and improve their game. The club would also eventually like to play other schools. They were planning on electing class officers too.

Anyone can join and since there are few underclassmen in the club, they are especially welcome. The advisor of the club is Mr. Stetzer.

The members of the Class of '79 can be proud of the leadership role which they have assumed at West High School. This, our largest ever graduating class has worked both within West and the Wausau community for the betterment of the educational program. There are many highlights involving members of this class including success in the areas of academic achievement, athletics and all other extra-curricular activities such as yearbook, the newspaper and debate.

Even though the Class of '79 has achieved much overall success, I will best remember each of you for your great spirit of togetherness and for the positive attitude that you have displayed over the four years I have known you. You as a class have worked for the best for the total Wausau West student body. I am sure that the members of this class will continue to utilize their talents and regard for others and will be successful in whatever careers that they choose to pursue.

My best wishes,

Alvin C. Wheeler
